

# FALL ATAGLANCE

YOUR GUIDE TO FALL 2021

# STOP THE SPREAD OF COVID-19

# **RPCA SAFETY GUIDELINES**

All Recreation, Parks and Cultural Activities' programs and facilities will operate according to federal, state and local health guidelines, which include significant adjustments to capacity and format.

# HAND WASHING AND SANITIZING

- All patrons and staff are encouraged to sanitize and wash their hands frequently.
- Hand sanitizer stations are available at most indoor and outdoor facilities.

- Activity rooms and equipment are disinfected after and between each class.
- When using the fitness room, participants and patrons are required to disinfect their workout station after each use.
- Staff regularly disinfect commonly used areas and surfaces.

# **FACE MASKS AND PHYSICAL DISTANCING**

- Staff are required to wear a mask at all times.
- All participants and patrons who are five years or older must wear a face mask inside City facilities.
- Participants and patrons are encouraged to limit physical contact with other individuals.

### **ILLNESS OR SIGNS OF COVID**

- Participants, patrons, and staff are to remain at home when feeling ill.
- Individuals who become ill while in attendance should immediately self-isolate and make arrangements to leave the facility safely.

# DIRECTOR

# WELCOME,

We encourage everyone to live a recreational lifestyle. The definition for recreation is "a pastime, diversion, exercise, or other resource affording relaxation and enjoyment." Participation in a class, program, or using your local park can provide all elements. In our current times we see high levels of work and family stress. We are all still coping with extraordinary changes to health, employment, and learning. Temporary changes may now be permanent. However, one constant through all of this, is the record use of our parks. Many activities that used to be indoors are now done outdoors. Cell phone data shows that park use has doubled over the past year. People literally voted with their feet to demonstrate the need for recreation. Previous survey work, in our community, underscores that almost 90% of you use our parks. Recreation participation is a key to health. We welcome your participation in any of our highly rated programs.

### **About SilverSneakers**

SilverSneakers, Tivity Health's flagship program, is the nation's leading community fitness program for senior Americans. The program helps seniors take greater control of their health through a variety of fitness offerings that engage participants in more frequent strength training, aerobic and flexibility exercise by providing access to locations across the country as well as classes designed specifically for seniors. More than 15 million people are eligible for the SilverSneakers benefit at no additional cost through the nation's leading Medicare Advantage health plans, Medicare Supplement carriers and group retiree plans. To get more information, check eligibility or enroll, go to
